Project experts & insured installers.

Your Home Installs project expert handles everything for you, there's no need to find the right installer yourself. Our local installers are licensed, insured and experienced, careful and respectful. All you need to do is enjoy the finished project.

"We chose to work with Home Installs because we were impressed with the work we had seen at a friend's house. The team went above and beyond from start to finish and were a pleasure to work with. Our cabinets look amazing, and the team did a fantastic job of installation and clean up!"

Home Installs Customer
Pioneer Home Hardware Building Centre, Campbell River

Here's How a Home Installs professional works for you.

You receive a no charge,
in-home consultation.

We take the time to identify your
project goals and guide you through
the design process.

We source the products to
suit your style and budget.

We take responsibility for
accurate measurements.

You receive a detailed written
proposal, including the project
price and completion date.

We schedule material delivery, and
supervise installation by insured,
qualified, local installers.

We follow-up to ensure you're
completely satisfied with
the finished project, and
your Home Installs experience.

You have a finished project you
can be proud of.
