Kitchens that inspire

Here's How to take on a project without taking on the worry.

Schedule an in-home or in-store consultation with Home Installs and let us do the work for you.

Elevating your project from top to bottom

ALEXANDRIA
Moulding

We're here to help.

A beautiful kitchen is the heart of your home, the place where friends and family come together and share life's moments. Your Home Installs project expert will help you make the right design and product decisions based on your ideas and budget.

FLOORS YOU LOVE, THAT LOVE YOU BACK.

To the tune of a 20-year residential warranty.

Whatever it takes.

Major appliances are available in many Home stores. Ask about our large selection to complete your kitchen renovation.

Shop for unique furniture at your local Home Furniture store.

Choosing a simple patterned backsplash gives your kitchen interest and texture without being too loud.

Selecting gold accents creates a sophisticated look that elevates your kitchen.

KEEP OUTSIDE OUT.

With the Northern Tri-Pane Collection™ featuring True Tri-Pane Technology™

Only JELD-WEN True Tri-Pane Technology™ can offer:

- 1 Superior Efficiency
- 2 Enhanced Home Comfort
- 3 Exterior Noise Reduction

And every Northern Tri-Pane Collection™ window is Canadian-made for Canadian climates.

How much could you save with JELD-WEN? Find out at KeepOutsideOut.com

We design around your lifestyle.

Let us guide you through the renovation process. Your Home Installs project professional is trained to work with you, listening to your needs and concerns, in order to design a space that lives up to your expectations. Our design services and 3D renderings are included in your project price.

Imagine storage customized exactly the way you need it!

Home Installs has the solutions you need to keep things within easy reach! With countertops cleared, closets, cupboards and shelves organized, you can quickly and easily locate whatever it is you are looking for.

Choosing wood cabinetry adds warmth to your kitchen space.

Adding open-faced storage allows you to showcase beautiful items.

Warranty on materials & labour.

We offer a one year warranty on labour plus full manufacturer warranties on materials on every project installed by Home.

Project experts & insured installers.

Your Home Installs project expert handles everything for you, there's no need to find the right installer yourself. Our local installers are licensed, insured and experienced, careful and respectful. All you need to do is enjoy the finished project.

"Your company, staff and sub-contractors are the best I have ever dealt with. I received excellent advice when choosing products for my renovation. All my questions were answered with clarity and I was treated with a great deal of respect. My renovation is more than I expected. I am one happy camper!"

Home Installs Customer
Payzant Home Hardware Building Centre, Sackville

Here's How a Home Installs professional works for you.

You receive a no charge,
in-home consultation.

We take the time to identify your
project goals and guide you through
the design process.

We source the products to
suit your style and budget.

We take responsibility for
accurate measurements.

You receive a detailed written
proposal, including the project
price and completion date.

We schedule material delivery, and
supervise installation by insured,
qualified, local installers.

We follow-up to ensure you're
completely satisfied with
the finished project, and
your Home Installs experience.

You have a finished project you
can be proud of.
